Jungle Monkeys is for 0-6 year olds, can older children also attend parties?

Yes Absolutely, it's just that our play frames are more suited to younger ones. You may want to consider adding on a craft table or one of our activities.

There would be less than 15 children, is that OK?

Yes, our party packages work well for smaller numbers too. Its just as a private hire venue we have a minimum booking for parties of £150 to cover costs.

What is the maximum number of children we can invite?

You can add on extra children to your party package, up to 25 children. Our building capacity is 60 people.

What food is included?

It's a lovely fresh, colourful cold children's party buffet; sandwich platters, savoury platter, fresh fruit platter, vegetable platter, sweet platter and jugs of water/squash. We can cater for special dietary requirements - just let us know and we will be happy to help.

Can we bring our own Decorations & Balloons?

That's no problem at all, we just ask that nothing is fixed to the walls please & no glitter/confetti.

Can we bring our own cake?

Yes, then after you have sung/blown out the candles we will cut, wrap and add to your party bags for your guests to take home with them. We do ask that no other food is brought/consumed onsite. Cafe will be open / serving our usual menu for adults to purchase anything they wish to.
